

# COVID-19 ISOLATION

## RECOMENDATIONS

IF YOU ARE A PERSON WITH COVID-19, follow these recommendations:

- Stay at home, without leaving a single room, well ventilated and with the door closed.
- Do not receive visits at home.
- In the room, have masks, hydroalcoholic gel, garbage can, thermometer and mobile phone.
- If possible, use a private bathroom.
- If you need to leave the room or someone has to enter, keep a distance of 2 meters, wear a mask and wash your hands.
- When coughing or sneezing, use tissues, throw them away, and wash your hands.
- Take your temperature twice a day and write it down.
